General No 221
Date 20 March 1896

Sir

I have the honor to bring before the Government for early orders a question that has arisen for the first time in connection with the disposal of the 5 Special Government Scholarships of Rs 10/ to be awarded to the 5 students in the Colleges of the Province who have passed highest in the First Class in the late FA Examination of the Madras University

The Standing Order which has been in force since these Scholarships were instituted has no reference

to [illegible] whereas it is declared
stated in the GO re Ordinary Scholarships
No that "they are intended to help deserving students
6(a) who are unable to continue their studies without
help from government"

This year no less than 7 boys have passed the FA Examination in the First class Vz -

Rank for Presidency	Rank for Province	Name	Colleges
8	1	V Samba Murti	Maharajas College Mysore
17	2	M Ramachendra Rau	Central college Bangalore
18	3	T K Srinivasa Iyer	- do -
22	4	K Raghavachar	Mah coll & Cent coll
25	5	B Venkatesachar	Cent coll
26	6	T S Raghavachar	Mah coll
42	7	S Subbarayan	Cent coll

The question is whether these 5 Scholarships are to be considered more in the nature of Prize to be given to boys irrespective of their circumstances or actual need of them If they are, then as a matter of course they will go to the first 5 of the 7 boys named above It so happens that 3 of them cannot be said to be in pecuniary need of them Vz nos 1 4 & 5 whereas nos 6 & 7 who will fail to get them by

thus

this Interpretation of the Gavernmen
order are in poor circumstances
one of them is at the Mysore Colleg
and one is at the Central College
In my opinion the value of the
Scholarships as an Educational -
Stimulant will be higher if they
are given as Prizes irrespective of
the special need of the boys and
it would I fear often give rise to
much difficulty and unpleasantness
in drawing the line as to whether
any particular boy stood in need
of the Scholarship or not

Of Course a boy would be at liber
to resign his Scholarship in favour
of any other first class boy if he
pleased to do so This year none
of the boys Nos 1 4 5 has offered
to do so and hence the difficulty
which I request the Gavernmen
to kindly pass orders on as soon
as possible to enable me to dispos
of the Scholarships because it will

depend

depend on this how the
ordinary Scholarships which are
purely meant to assist poor but
deserving Students are assigned
The order would as a matter of
course apply to both the FA and
B A Special Scholarships
